HOUSE + LAND

This modern home by Simonds is designed to build lasting family foundations. The Dakota features a spacious open-plan kitchen and lounge area, perfect for entertaining guests or having a cosy family dinner. This home has quality fittings throughout, including a 900mm stainless steel cooker in the kitchen. The generous bedrooms make the Dakota the ideal family home.

- Perfect family home
- Modern design at a great price!
- Stainless steel appliances
- Spacious kitchen with walk in pantry
- Within walking distance of our Environmental Corridor
- 480m2 land size
